

STRUCTURAL E.I.T.

WHIPPLE CONSULTING ENGINEERS

POSITION DESCRIPTION

Whipple Consulting Engineers is presently seeking qualified candidates for an Entry Level Structural Engineer/EIT in our Spokane Valley, WA office.

Projects include both public and private sector clients primarily in the Spokane/Coeur d'Alene area, however WCE serves the entire Northwestern United States.

EDUCATION/EXPERIENCE

Minimum of a Bachelor's degree in Civil Engineering and has passed the EIT examination.

QUALIFICATIONS

- Knowledge and experience of structural engineering principles and advanced knowledge of concepts, principles and practices of structural engineering.
- Must possess strong verbal and written communication skills.
- Proficient in AutoCAD and Microsoft Office and knowledge using ENERCALC and RISA-3D.

RESPONSIBILITIES

- Participate in multi-disciplinary teams on projects.
- Coordinate with project managers, project engineers, clients, regulatory agencies, and subcontractors.
- Performs engineering tasks under close supervision; encouraged to solve engineering problems using experience, judgment and education but expected to ask for assistance when needed.
- Researches/Reviews code and permitting requirements for project sites as directed.
- Prepares reports, specifications, plans, construction schedules, environmental impact studies, and designs for project.
