Whipple Consulting Engineers Welcomes New Surveyor of Record
David Cowell, P.L.S. Named Head of Land Surveying Department

SPOKANE VALLEY, WA— Whipple Consulting Engineers recently hired David Cowell, P.L.S. as their Professional Land Surveyor of Record. Mr. Cowell has more than 15 years of land survey experience and worked previously as a Surveyor in the Portland, OR area.

Todd Whipple, President of Whipple Consulting Engineers, said of Mr. Cowell joining the company, “We are excited to have a professional with David’s depth of experience and knowledge on board at WCE. We look forward to continuing to serve the area with the same land survey services we have in the past.”

Mr. Cowell’s first day at WCE was August 1st. He will take over day-to-day operations of the Survey department, stepping into a position that has been vacant for the last few months.

--more--

Whipple Consulting Engineers is an established consulting firm providing professional services publicly and privately for over 15 years. Based out of Spokane Valley, Washington, WCE provides land surveying, civil, structural and traffic engineering, land planning and landscape architectural services to the architectural and land development communities of the western United States.

For more information about WCE and their scope of work, please call Whipple Consulting Engineers at 509-893-2617 or visit WhippleCE.com.
